HOT1079ONLINE.COM 's PRIVACY POLICY

Your privacy related to your Internet use and this Site is important to us. As part of the operation of the Site, we gather certain types of information about users and we would like to tell you the types of information we gather, what we do with it and how you can correct or change the information about you.

Information Collected By Hot1079online.com

Hot1079online.com collects two types of information from users; personally identifiable information ("Personal Data") (such as first and last names, street address, birth date and/or e-mail addresses); and non-personal information such as aggregate data (such as how many users log onto WAJI.com on a daily basis).

Personal Data

Hot1079online.com explicitly asks when it needs Personal Data that presumably identifies or can be used to contact you. We will ask for Personal Data if you register for our newsletter or other membership services, or when you answer surveys, enter contests or other such interactive features; or if you want to engage in a commercial transaction online (that is purchase something from a Member Site). You may not participate in any such activities that require the submission of Personal Data unless you are 18 years or older.

Aggregate Information

Aggregate information, such as which pages user access or visit and information volunteered by users, survey information and/or site reservations is collected through various methods. For example, Hot1079online.com collects IP addresses. An IP address is a number that is automatically assigned to your computer whenever you are surfing the web. Web servers, the computers that "serve up" web pages, automatically identify your computer by its IP address. When you request a page from our Site our server automatically logs your address. We do not link IP addresses to any personal data. We collect IP addresses so that we can provide aggregate data to advertisers about volume of use. Aggregate data does not contain Personal Data about an individual user.

Use of Cookies

Hot1079online.com also uses "cookies" to collect information. A cookie is a small data file that most major Web Sites write to your hard drive for record keeping purposes when you visit them. Cookies allow Hot1079online.com to measure activity on the Site to improve your user experience, for example, by remembering your passwords and viewing preferences, thus allowing you to visit various Member Sites without re-registering. Cookies are used by Hot1079online.com to measure activity on the Site and make improvements and updates based on which areas are popular and which are not.

Hot1079online.com does not use cookies to retrieve information from your computer that was not originally sent in a cookie. Except for personal information voluntarily provided by you (i.e., during membership registration or a contest) Hot1079online.com does not use information transferred through cookies for any promotional or marketing purposes.

You may occasionally get cookies from our advertisers, which is standard in the Internet industry. Hot1079online.com does not control these cookies, and these cookies are not subject to Hot1079online.com 's privacy policy.

Most browsers are initially set to accept cookies. If you'd prefer, you can set yours to refuse cookies or to alert you when cookies are being sent. However, some parts of the Site, such as the member-only areas and shopping, contest and game areas, probably will not function properly if you do so.

Use of Information Collected by Hot1079online.com

Hot1079online.com uses both Personal Data and aggregated information we collect for multiple purposes. Both personal and non-personal information are used to improve the content of the Site, to customize the content and/or layout of the Site for each individual user and to notify users about updates to the Site, promotional offers or opportunities that we believe will be of interest to you.

Hot1079online.com shares aggregate information with third parties for both advertising and promotional purposes.

Hot1079online.com may also share Personal Data with affiliated third parties, such as advertisers, for marketing or promotional purposes. Hot1079online.com will disclose to users when their Personal Data will be shared and will provide users with an opportunity to decline sharing Personal Data at the time of your registration for the particular activity or feature, or alternatively, via the following procedures. If you object to the use of your Personal Data for advertising or promotional purposes, you may stop that use by modifying your registration information online. Please change or delete your registration information by returning to: <http://www.hot1079online.com>. We reserve the right to contact you at any time for administrative or informational purposes regarding your membership or the activity you have registered for.

Also, if you have registered as a member through our online registration system and have subscribed to one or more of our e-mail newsletters and do not want to receive such e-mail newsletter(s) from us in the future, please discontinue your subscriptions by returning to: <http://www.hot1079online.com>.

In the event Hot1079online.com plans to post any Personal Data on the Web Site, Hot1079online.com will either notify you of this possibility at the time of registration, when you provide Personal Data and/or, if possible, when such information is posted.

Children and Privacy

Hot1079online.com encourages parents and guardians to spend time with their children online, and to be fully familiar with the sites visited by their children. At various Member Sites, Hot1079online.com will ask whether users are under the age of 18 as part of the registration process. Hot1079online.com requires users to be truthful and accurate in responding to these questions. No Personal Data should be submitted to or posted on the Site by users under the age of 18 years.

We do not knowingly or intentionally collect Personal Data from persons under the age of 18 and will automatically reject and delete the registration or entry of any person we believe in good faith to be underage. Any false or fraudulent registration or entry from a minor will be deemed to be ineligible and will disqualify the minor from the receipt of any prize, benefit or other participation.

Message Boards and Chat

Please remember that information posted to message boards and chat areas becomes public information. Use caution when posting. Users under the age of 18 should not use chat rooms or message boards. As set forth in Hot1079online.com 's Terms and Conditions of use, users of chat rooms and message boards must follow acceptable standards of behavior when posting messages online.

Links to Other Sites

It is important to note that for your convenience, Hot1079online.com contains links to third party web sites and that those web sites may not have the same business practices or privacy policies as Hot1079online.com. Hot1079online.com has no responsibility or liability for your access to and use of any third party web site. For instance, if you click on an advertisement on Hot1079online.com, this may take you away from Hot1079online.com and to an entirely different web site owned or controlled by a third party. The Site can include links from advertisers, content providers and partners who may use Hot1079online.com 's logo and/or style as a result of a co-branding agreement. These web sites may send their own cookies to you, or may collect Personal Data and make uses of such data that Hot1079online.com would not. Therefore, you should consult that web site's privacy policy before you submit any Personal Data. See our Web Site Use Agreement for more information about linked third party websites.

Hot1079online.com reserves the right to change its Privacy Policy, its Web Site User Agreement and Addendum at any time. Such changes will be effective to you immediately upon posting.
